## Just a Few of the Places Covered by the Guide

### Guide Spot **Kinjo Reitaku Well**

A legendary water spring said to be Kanazawa's namesake, and a popular destination for people praying for financial success.

### Guide Spot **Karasaki Pine**

The most prized pine tree in the garden, and particularly famous for its winter appearance, with rope supports on the branches. You can learn about the careful work done by Kenrokuen's gardeners to maintain the garden's many precious trees.

### Guide Spot **Kasumiga-ike Pond**

The largest pond in Kenrokuen Garden, modeled after Lake Biwa, Japan's largest lake. It offers a palpable sense of the garden's vast size, making it a popular spot for photos.

And there's plenty else to learn about, too!

A hill evocative of the seven fortune gods, a pedestal with "animal-shaped" stacked stones for stability, an island symbolizing a person's whole life, and more! Let the Audio Guide introduce you to fascinating parts of the garden and fun moments from history, and take your visit from "enjoyable" to "unforgettable"!
